

Good for the Community - Good for the Sponsors

Join Nordic Naturals, Santa Cruz County Bank and Seascope Sports Club in welcoming ATP players from around the world and over 7,500 spectators from Monterey Bay and much of Northern California. The Nordic Naturals Challenger presented by Santa Cruz County Bank is the longest running Challenger in the United States. While this is an International Event, it is also a Community Event that has raised over \$600,000 for local charities. With its long history, the Tournament has established a valued consistency and has created an electrifying environment for Sponsors. Perhaps this is why the Tournament received the honor of the "Event of the Century" and also why so many Sponsors have been with us for close to 30 years.
