There will be **NO LIFEGUARD ON DUTY** and all minors under 14 years of age must be accompanied by an adult. Swimmers are required to stay six feet apart from one another, both in and out of the water. No pool toys or floats are allowed at any time. For now, our Outdoor Jacuzzi is closed.
- **Locker Rooms** are open Monday. You may use our individually partitioned showers but, for now, the Saunas will be closed. Prior to opening each day and between 2–3pm, the locker rooms will be closed and thoroughly cleaned and sanitized. Spray bottles of disinfectant and antibacterial hand soap will be available in each locker room for your use. Personal towels are encouraged and clean towels will continue to be available for those who need them.
- **Fitness Centers** will open Monday. Workouts will be limited to one hour and maximum capacity limits and social distancing guidelines will be strictly enforced. Members will be required to sanitize equipment before and after each use. Adjustments to these policies, if necessary, will be made in the future.
- **Childcare** will open June 22. Hours will be 8am to 12noon, Monday – Friday. Limits will be placed on the maximum # of children allowed in Childcare at any one time.

- **Group Exercise Classes** will remain Online through the end of June. Beginning July 1, Group Exercise Classes will resume at the Club. Some classes may be relocated outdoors; sanitation protocols will be followed and social distancing guidelines will be strictly enforced. After input from instructors and participants we will provide more specific information prior to July 1.
- **Private and Semi-Private Tennis and Swim Lessons and Personal Training** will be available for Members Only. Contact the Front Desk and/or our website for more details. Our new Pilates Studio will be open for Private and Semi-Private Instruction. For now, our Massage Therapy Studio will be closed.
- **Camp Seascape** may open for a limited number of Sessions this Summer depending on demand. Contact the Front Desk for more information. The Nordic Naturals Challenger presented by Santa Cruz County Bank has been cancelled for 2020 (after 32 consecutive years!).

**We will continue to require that appropriate social distancing protocols be followed, that masks be worn inside the Clubhouse, that no one who is sick be allowed to enter the Club and that each person who enters the Club signs a daily waiver. We have installed a new “touchless” Entry System; and as each Member is enrolled, they will be able to sign a permanent waiver and will no longer need to sign a daily waiver.**

To our Fitness Only Members, welcome back! And to all our Members we will continue to do everything we can to make your health and safety our number one priority. If there is anything you feel we can do to improve your experience at the Club, please do not hesitate to contact us.
