

Seascape Sports Club Update #8

COVID-19

TO OUR MEMBERS

As you return to the Club, it is likely you have noticed several changes designed to enhance your experience while continuing to make your health and safety our number one priority. Here are a few highlights:

- A reservation system has been installed to ensure each lane in our **Junior Olympic Size Lap Pool** is used by one person (except family units) per 45-minute time slot. Water chemistry is automatically controlled, manually tested and our staff will be disinfecting “high touch” areas throughout the day.
- **Recreational swimming** is allowed in the Junior Pool and in the 20' X 20' area next to the deep end of Lane One in the Lap Pool. Social distancing is required at all times. There will be **NO LIFEGUARD ON DUTY** and all minors under the age of 14 must be accompanied by an adult.
- We are introducing a new **Group Exercise Schedule** July 6 that includes 38 **OUTDOOR CLASSES**. Most of your favorite classes and instructors will be back at their familiar times. And we plan to live stream many of these classes for those of you who cannot attend in person. Be sure to experience our new **Sunset Yoga Classes** at 5:30pm, outdoors, under the setting sun. The current monthly fee of \$15 includes access to all classes — both in-person and online.
- Members have been enrolling in our new **Touchless Entry System** and we will be activating the turnstile July 1. It takes approximately 60 seconds to enroll and, once enrolled, you will be allowed to enter the Club without checking in at the Front Desk. **Members more than 30 days past due will need to bring their account current to be able to utilize the new system.**
- Our new **Pilates Studio** is open! Private and semi-private sessions (discounted for Members) can be booked by calling the Front Desk. Our new studio has soft wood floors, is well ventilated and utilizes state-of-the-art **Balance Body Reformers**.
- **House Leagues** have been designed for Tennis and Pickleball to be played exclusively at the Club. We have purchased the software, established the format, and will be contacting you to sign up. **FREE** beginning tennis and pickleball lessons will be offered to those Members who wish to expand their fitness options while connecting with the SSC community.
- **Fitness Center** workouts are limited to one hour and maximum capacity limits and social distancing guidelines will be strictly enforced. Members also need to follow California guidelines regarding the safe use of face masks while exercising indoors. Members are required to sanitize equipment before and after each use.
- **Fit Stop Cafe** remains closed. Members may purchase a limited number of beverages for consumption at the Club. No outside beverages will be allowed. We hope to resume food service in the near future.

We are limiting access to the Club to Members and their guests. **Guest fees are \$20 for adults and \$10 for juniors under 14 years of age.** When necessary, we will limit the number of guests using the Club at the same time to ensure social distancing guidelines are able to be followed.

Your statements are included with this mailing and normal dues have been charged to your account. Welcome back and, as always, if there is anything you feel we can do to improve your experience at the Club, please do not hesitate to contact us.
